

May 17, 2010

Dear Justin,

Thank you seems like a small word to convey all my appreciation for your help on Friday. You were a life saver with your computer to make my presentation whole.

As always, Justin, whenever we have been at the Ale House you make it so very nice; accomodation, food, service all are wonderful. You are the epitome of fantastic customer service!

Thank you for the message with the retirement message. May 14th will always be most memorable for me. I may be retiring yet I'll still be coming to Waugoda & the Ale House will always be my favorite place.

Thank you again & best wishes for your continued success.

May Madde
