

ushin ~
A big big thank you for making my
and Mike's dinner reception absolutely
perfect in every way! You remembered
every detail from the white table cloths to
reserving the lounge area for 4 hours.
We greatly appreciate all your hard-
work and planning, and most of all,
your wonderful personality & smile.
Words can't express the appreciation
we have, but I hope this tells you
how much.

To your fabulous staff:
The queen of all waitresses (Stephanie, right?)
What a sweetheart. She was kind, friendly,

YOUR THOUGHTFULNESS
IS VERY MUCH
APPRECIATED.

and extremely efficient, and again, always
with a smile. Thank You!!

To the Kitchen Staff — you rock! The
prime rib was perfect as well as
the rest of the meals you prepared.

May thanks !!
